
Here is a warm, gentle and attractive little book which will bring pleasure, comfort and insights to persons with family or friends who have been stricken with Alzheimer Disease.

DANCING IN THE ELEVATOR contains nearly seventy humorous anecdotes. In most of them, persons with the disease are the central focus, with the stories illustrating their retention of familiar character, the emergence of hitherto unknown traits, their efforts to adapt to their deficits, and their enjoyment of the moment. Two shorter sections underscore the impact of the illness on caregivers, and the heartening effects of caring communities.

Dedicated to the mother of one of its authors, the book was produced entirely through volunteer contributions — stories, funding, and expertise. **Sales revenue will go to the Alzheimer Society of Ottawa and Renfrew County.**

DANCING IN THE ELEVATOR makes a thoughtful gift for anyone with a family member or friend with this daunting disease. It would also be a wonderful token of appreciation for presenters or volunteers of any organization, or for service recognition. The cost is $15.00 per copy. It is available in selected Ottawa book stores, and it can be ordered through the **ALZHEIMER SOCIETY OF OTTAWA AND RENFREW COUNTY.**
