The Enhancing Care Program

Are you interested in?

- Team building
- Encouraging new ideas & new ways of doing things
- Improving communication and problem solving
- Continuously improving quality of care
- Establishing Alzheimer Canada's Guidelines for Care in your day to day operations

Then you will want to register for **The Enhancing Care Program**. It provides you with the tools to assess your own dementia care programs and services by your own team of staff, volunteers and family members. The Alzheimer Society of Ottawa & Renfrew County provides a facilitator to guide your team through the assessment process and help establish new, specific goals that enhance care.
